100 percent FREE TAX - PREPARATION SERVICE for those who earned \$50,000 or less in 2011!

Free Income-Tax Assistance is available for low to moderate-income taxpayers - defined as those taxpayers with income levels at or below the Earned Income Tax Credit (EITC) guidelines; for example, those whose household income is at \$50,000 or below. In addition, if you earned less than \$43,998 you may be eligible for up to \$5,751 in EITC.

Locations, hours of operations and special services offered such as translators or services to help individuals who are disabled, are listed on the following pages. Some sites work by appointment only. The sites are listed alphabetically by city. All of the following sites will **e-file** your return. If you lost or do not have documentation relevant to your situation, you can still get your taxes prepared. Call the IRS helpline at 1-800-829-1040 to find out what you need to do and how to obtain replacement documents

Please remember that the people helping you are volunteers and are not being paid. So please be patient.
